101 Bd Constantin Descat 59200 Tourcoing, France

About us

VariaSon Studio is a multilingual dubbing and sound production studio founded in 2025 and based near Lille, France.

Industries

We work in several industry such as animation, documentary, advertising, video-games, films and series.

Services

Translation, adaptation, recording and post-production are handled in-house to ensure a consistent and high-quality result.

Expertise

From voice casting and actor direction to dubbing and final mixing, we support projects throughout the entire production process.

Our goal is simple: respect the original work while helping it connect with a new audience.

Some of our most popular projects :
